SUPPLEMENTAL PETITION TO CORRECT INVENTORSHIP
UNDER 37 C.F.R. §1.497(d)

S I R :

This application is a national stage application based upon PCT/AU2004/001502.

It has been determined that Bruce Howard Goldby, named as an inventor in the international application, is not properly an inventor and the only inventor is Geoffrey Carlisle.

On April 30, 2007, Applicant filed a Petition to Correct Inventorship Under 37 CFR §1.49(d) to remove Bruce Howard Goldby as an inventor. The PTO mailed a Decision on Request on August 30, 2007 in which the Examiner stated that Applicant needs to provide assignee's consent to the removal of Bruce Howard Goldby as an inventor. Attached please find the written consent of the assignee.

The processing fee set forth in § 1.17(i) was paid in a previous Petition to Correct Inventorship mailed to the PTO on April 27, 2007. In the event the actual fee is greater than the payment submitted or is inadvertently not enclosed, or if any additional fee during the

prosecution of this case is not paid, the Patent and Trademark Office is authorized to charge the underpayment to Deposit Account No. 15-0700.

Action on this Petition to Correct Inventorship is respectfully solicited.

I hereby certify that this correspondence is being deposited with the United States Postal Service as First Class Mail in an envelope addressed to: Assistant Commissioner for Patents, Mail Stop PCT, Commissioner for Patents, P.O. Box 1450, Alexandria, VA 22313-1450, on October 30, 2007.
